SCHOOL FORM ENDORSEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY POLICY - WINDSTORM AND HAIL

This endorsement applies only to items which are described on the Declarations Page(s) of the policy as being subject to this School Form endorsement.

The policy to which this endorsement applies is amended as follows:

1. We do not cover loss to state owned books, unless those books are specifically insured by this policy for a separate amount.
2. In the application of the Pro Rata Distribution Clause, we will consider a school building and the business personal property located in the building (when rated under the School Schedules) a single item of insurance.
